CLASS HISTORY

Freshmen: 1981-1982

Well, here we were, out on our own as an individual class for the first time. Mrs. Robinson was our advisor and she succeeded in getting us on our feet. Booster Day floatmaking took place at Bourbeau's where we constructed "Herby the Lovebug." It was a sorry sight but our spirit remained in tact. Kathy Hartnett represented us as Lady in Waiting. When spring came, Mrs. Neville's biology classes and many of the rest of us went on the Cranes Beach trip. Then we apprehensively looked forward to our remaining years at T.F.H.S.

Sophomores: 1982-1983

We attempted our first money maker — M&M's — and ended up with most of the sales coming from within our class. We purchased our class rings and somehow financed the traditional ring dance, which proved humorous when the DJ's were found to be intoxicated. Our advisor this year was Mr. Sabin and Booster Day floatmaking was at Keith's once again, until his house was tragically struck by fire. Our float, the Rabbit, lost its head and we also conveniently acquired a flat tire along the parade route. We held up remarkably well and went on to win the Spirit Award. Jennifer Ghiz represented our class as the Duchess. Once again, many of us went on Mrs. Neville's biology field trip, this time to Martha's Vineyard. We certainly proved our strength this year!

Juniors: 1983-1984

Mmmmm, the sweet smell of coconuts filled our hall. Our trend of brilliant decorations began this year too. We acquired Mrs. (Char-Char) Sulda and Miss (Tripper) Tripp as our advisors. We created a "Tide" box to take a first place on Booster Day and the moments of creation were captured for us by Mr. O'Connors on video tape. Tammy Chrostowsky became our choice for Princess. Our Prom was held at Brickers on May 5th and the theme was "Just You and I." We were lucky to have Mr. Kenney's "Sea Breeze" providing our music. We all had our pick of prom parties to attend and I'm sure it will be a night we will all remember. Mrs. Neville stuck with our class once again for a trip to Nantucket. A bus broke down and everyone had to wait for their clothes which arrived a day late. We wrapped up the year with an outing at Puffers Pond. We had slowly turned to each other and finally realized how close we all had become.

Seniors: 1984-1985

We finally reached *our* year. Together we strongly supported each other and with the greatest result. Booster Day got us another first place with our "Smurf" and Sandi Mann was our choice for Queen. When Thanksgiving came, our football team gave us a 26-8 victory over Greenfield, and we were all very proud. We were proud to be Seniors and we will always hold the pride of having had four years to remember at T.F.H.S.!!!

FACULTY

The class of 1985 gratefully dedicates this yearbook to Stanley F. Dobosz, Asst. Principal

Thanks for all the memories
In which you've played a part
For they always are nearest
And dearest to our hearts.

Thanks for all the memories
That are yours and ours alone
For they recall so many
Special moments we have known.

Thanks for all the memories
That time can never dim
We never could repay you
For the joy we've found in them.

The class of 85′
Is on the slide.
We're all at the top
waiting for the ride.

We're not kids anymore
We don't run and hide.
The ocean is not far away
Waiting to carry us on a tide.

The class of 85′
Is ready to fight.
We're not going to sit down
We know we're right.

We're not afraid
